

# GIO STADIUM TRAFFIC ARRANGEMENTS FOR MAJOR EVENTS

GIO Stadium will host a range of NRL and Rugby Union games in 2016, providing an opportunity for Canberrans to experience the excitement of live sport on a regular basis. To ensure there is minimal traffic congestion caused by the influx of spectators for these major sporting events, alternative traffic arrangements will be established for the areas surrounding the stadium.

Modified traffic arrangements will commence up to three hours prior to gate opening times, and will continue throughout the event and up to one hour once an event concludes. The ACT Government would like to thank you for your support of events at GIO Stadium, and your patience and understanding during these events.

On game days, modified traffic arrangements will be implemented on Haydon Drive, Battye Street, Braybrooke Street and Masterman Street in Bruce, and residents living in this area may experience delays.

## **TRAFFIC ARRANGEMENTS BEFORE AND DURING AN EVENT:**

1. Proximity Apartments and businesses located on the southern end of Braybrooke Street will only be accessed via Battye Street.
2. There will be no vehicle access to Proximity Apartments and businesses located on the southern end of Braybrooke Street for vehicles turning left from Battye Street into Braybrooke Street, as it will be blocked from Battye Street.
3. Vehicles leaving Proximity Apartments and businesses located on the southern end of Braybrooke Street are advised to exit via Braybrooke Street as there will be no right turn into Battye Street.
4. Vehicles that choose to leave Proximity Apartments and businesses located on the southern end of Braybrooke Street by turning left onto Battye Street will need to then turn left into Leverrier Crescent and then left onto Masterman Street.

## **POST-EVENT TRAFFIC ARRANGEMENTS:**

1. Vehicle access to Proximity Apartments and businesses located on the Southern end of Braybrooke Street will only be via Battye Street from Leverrier Crescent and Braybrooke Street.
2. There will be no vehicle access to Proximity Apartments and businesses located on the southern end of Braybrooke Street from the Haydon Drive end of Battye Street. Access to Battye Street from Haydon Drive will be blocked to all traffic heading towards the Stadium (against the flow of traffic).
3. Vehicles leaving Proximity Apartments and businesses located on the southern end of Braybrooke Street after the event are advised to do so by turning right onto Battye Street or left onto Braybrooke Street. Note: there will be no left turn into Battye Street after the event.

A temporary taxi rank will be in service outside the main entrance to GIO Stadium Canberra during event times. Community drop-off points are located on the Eastern side of Leverrier Street, accessed from the Northern end of Leverrier Street only whilst traffic controls are in place.

A taxi rank is located on Battye Street at the Western entrance, and ACTION buses will arrive and depart from the Eastern gate.
