GIO STADIUM TRAFFIC ARRANGEMENTS FOR MAJOR EVENTS

Dear Resident,

GIO Stadium will host a range of sporting and entertainment events in 2019, providing an opportunity for Canberrans to experience the excitement of live sport and entertainment on a regular basis.

Alternative traffic arrangements will be established for the areas surrounding the stadium during these major events to minimise traffic congestion caused by spectators arriving and leaving the stadium. Modified traffic arrangements will commence up to two hours prior to gate opening times, and will continue throughout the event and up to one hour after an event concludes.

On event days, these modified traffic arrangements will be implemented on Haydon Drive, Battye Street, Braybrooke Street and Masterman Street in Bruce, and residents living in this area may experience delays. The ACT Government would like to thank you for your support for events at GIO Stadium, and your patience and understanding during these events.

AVOIDING TRAFFIC MANAGEMENT ON EVENT DAYS:

You can avoid the majority of traffic controls in place during an event by entering the Bruce precinct via Eardley Street from Haydon Drive. Braybrooke Street and Battye Street experience the heaviest traffic flows during an event so avoiding these roads if possible is recommended.

TRAFFIC ARRANGEMENTS BEFORE AND DURING AN EVENT:

- Proximity Apartments and businesses located at the intersection of Battye and Braybrooke Street can only be accessed from Battye Street.
- Vehicles leaving Proximity Apartments and businesses located at the intersection of Battye and Braybrooke Street are advised to exit onto Braybrooke Street as there will be no right turn permitted onto Battye Street.
- Vehicles leaving Proximity Apartments and businesses located at the intersection of Battye and Braybrooke Street will need to turn left onto Battye Street and then left into Leverrier Crescent and then again onto Masterman Street.
- There will be no access to Watkins Street via Battye Street.

POST-EVENT TRAFFIC ARRANGEMENTS:

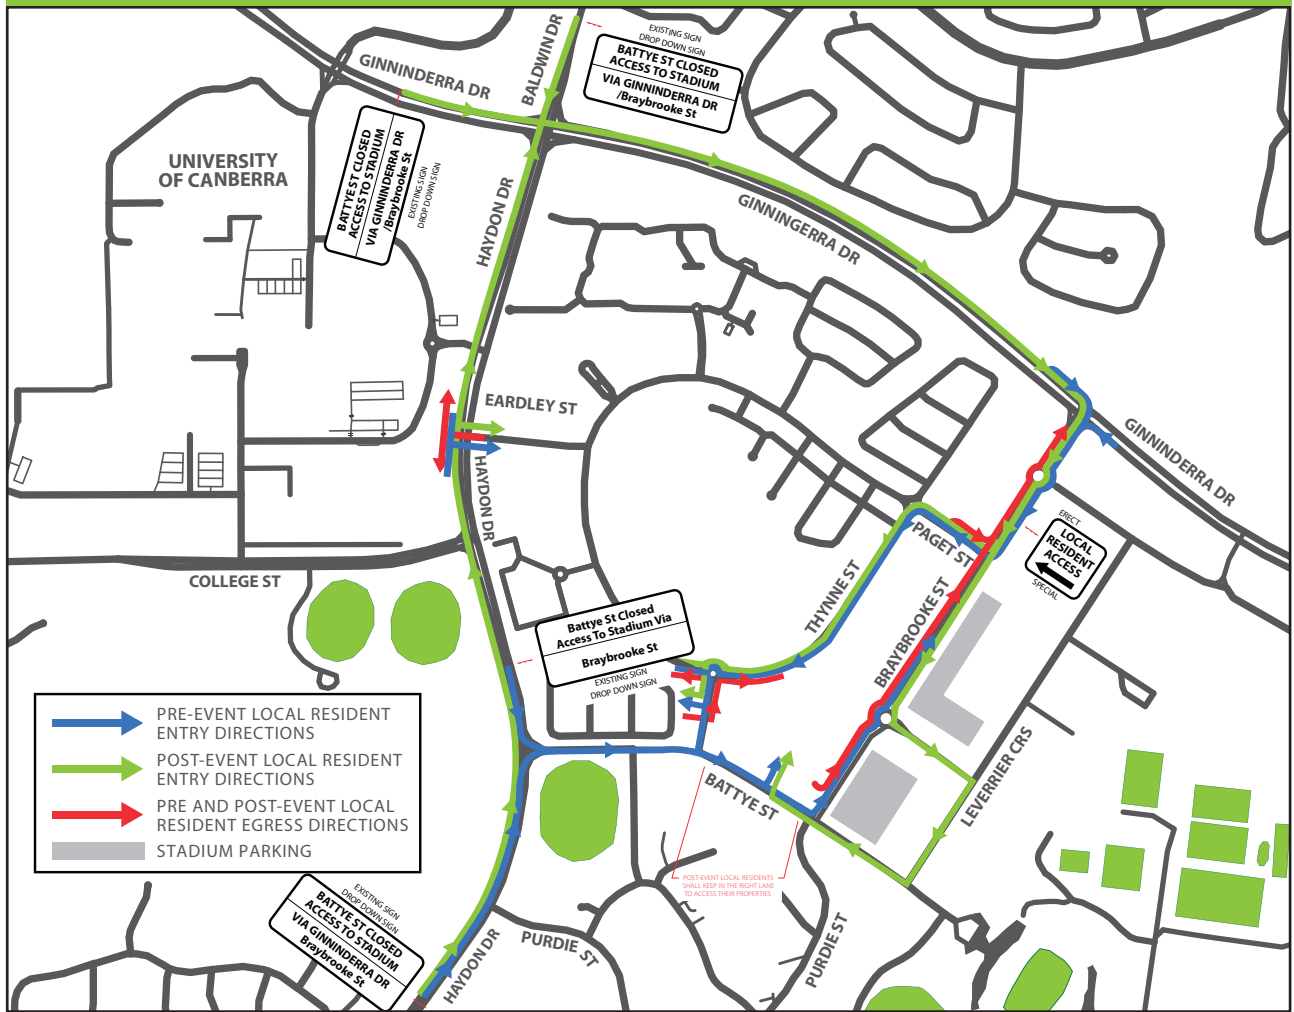

- Proximity Apartments and businesses located at the intersection of Battye and Braybrooke Street will only be accessed via a right turn onto Leverrier Crescent and then onto Battye Street.
- Access to Battye Street from Haydon Drive will be blocked to all traffic heading towards GIO Stadium. There will be no vehicle access to Proximity Apartments and businesses located at the intersection of Battye and Braybrooke Street from the Haydon Drive end of Battye Street.
- There will be no left turn onto Battye Street after the event for vehicles leaving Proximity Apartments and businesses located at the intersection of Battye and Braybrooke Street.
- Watkins Street may only be accessed via Thynne Street and not via Battye Street.

A temporary taxi rank will be in service outside the main entrance to GIO Stadium during event times.

Community drop-off points are located on the east side of Leverrier Street, accessed from the north end of Leverrier Street only whilst traffic controls are in place.

A taxi rank is located on Battye Street at the west entrance, and buses will arrive and depart from the east gate.

Please note that not all events for 2019 will be listed below. For more information and the latest gate opening times for events at GIO Stadium, please visit: www.giostadiumcanberra.com.au, or phone Access Canberra on **13 22 21**.

2019 GIO STADIUM EVENT DRAW
